Why not explore more of Spondon's treasures during the weekend? Leaflets on the following (and additional copies of this leaflet) are available from Spondon library, Sitwell Street (or from 8 Park Road when open during the weekend):

- West Park Nature Reserve
The Reserve is managed by a committee including the City Council, local residents and other organisations
- Derby & Sandiacre Canal
The Canal Society is campaigning for a complete re-opening of the canal, including the stretch through Spondon. They meet monthly at The Moon Hotel, Nottingham Road, Spondon on the 4th Tuesday of each month. Leaflets available at 8 Park Road during Safari weekend
- Spondon History Trails – 2 different leaflets available for sale at 8 Park Road during Safari weekend. Also available at the Library. The Historical Society meet on the 2nd Monday of each month in Spondon Village Hall, Sitwell Street
