- All our Marshalls for making the day safe
- Our participants in Spondon's Got Talent
- All volunteer groups, stall holders, children's entertainment and general entertainment
- .....and of course thanks to everyone who has joined us today to support us! Thanks to everyone else - we're sorry if we've missed anyone!

**On Stage from 12.00, 'Spondon day' presents.....**

**In the Precinct area from 10.00, visit our 'Vets Master Classes', hosted by.....**

**See page 4 for more details**

Just visit as many businesses and shops as you can to spot an item that shouldn't be in that shop or business. There are only **12 items to find** and remember, not every shop or business will have an item. (Participating shops and businesses will be in the locality of Moor Street, Sitwell Street and Chapel Street only). Remember to give us your contact details below. You will see there is an option to be added to our events mailing list if you wish for news, offers and discounts on behalf of the Traders. Prizes will be available for Odd One Out and also for sign up. You can do either or both!

Hand in your completed form to D Label Clothing, 18 Chapel Street [by Saturday 5th July 2014](#)

We wish you the very best of luck!

**The Main Toilets are located at the Village Hall**

## Welcome To Spondon

Following on from the great success of last year, the Village Rejuvenation team have organised another fantastic event for all the family, with a whole host of fun and entertainment in the village centre throughout the day! - and this year there is going to be even more to enjoy and celebrate.

**Sitwell Street** is going to be the main focus, and there are going to be lots of events in the **Precinct area, Chapel Street / Chapel Side** as well. One of the key events will be Spondon's Got Talent - a showcase of talent on the stage in Sitwell Street. There are three categories and trophies, kindly donated by the Liberal Club, will be presented by Pauline Latham, MP to the winners. The Top musical act in the "over 16" category gets a free 4 hour recording session with local producer, Ben Haynes!

**Spondon's very own currency is back** once again for the day, this time in the guise of the 2014 Spondulix and is available to buy from Alexander & Co on Chapel Street. Each Spondulix will cost you 90p and is then worth £1 in participating businesses (see page 6) - effectively giving you a 10% discount. Great value, from all those great shops and businesses that serve you so well all year round.

There will be a **free prize draw** for entering our Shop Trail 'Odd One Out' competition. There will be a further prize draw if you register your interest in signing up for our Free newsletter - see page 7 for details including the entry form and sign up information. Separate sign up forms also available in most shops too!

For your information, all the Village car parks will be open, but as you know, they fill up very quickly so please try and use public transport or visit on foot where possible. **Sitwell Street will be closed**, (except for access) from the White Swan Island to the Willowcroft Road Island. All the buses will be diverted but will stop near the village.

Finally, see our **timetable and map** in the centre pages for a **guide to 'what's on'**.

So all in all, Spondon Day 2014 should be a fantastic day not to be missed. It all starts from around 10.30am in the Village Hall and from 11am throughout the village. It's going to be a great day so let's see that fantastic Spondon community come together once again for another fantastic local event to remember!
